

Hillborough Infant and Nursery School

Year 1 Animals including Humans Knowledge Organiser

Overview

Animals are living things.

Like plants, animals need food and water to live.

Unlike plants (which make their own food) animals feed themselves by eating plants or other animals.

Animals are also able to sense (including see, hear, smell, taste, touch) what is going on around them.

Millions of animals live on earth.

Animal Structures

Birds have wings, to help them fly.

They use beaks for eating and keeping themselves clean.

They have light bones to make flying easier.

Feathers are also light (helping them fly) and are important for keeping birds warm.

Mammals have hair/ fur, to keep them warm.

Their warm blood also keeps them and their young warm.

Mammary glands – nipples/udders help mammals to feed their young.

Types of Animals

Mammals

Mammals are warm-blooded creatures. Most have hair.

They give birth to live young. They produce milk to feed them.

Humans are mammals. Other examples are monkeys, lions, bears, dogs, cats and cows

Reptiles

Reptiles are cold-blooded. They lay eggs/ have scales. They breathe through lungs.

Examples include lizards, crocodiles & snakes.

Birds

Birds are warm-blooded. They lay eggs/ often have feathers and wings. Most have hollow bones & can fly.

Examples include robins, penguins & ducks.

Fish

Fish are cold-blooded and live in water. They breathe through gills. Have fins/scales.

Examples include sharks, salmon, & rays.

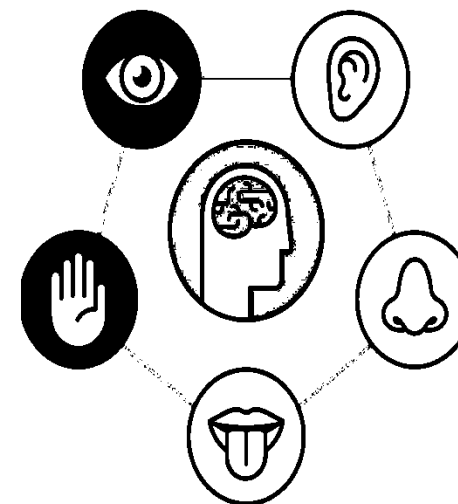

Amphibians

Amphibians are cold-blooded. They live in water and land. They have 3 life stages: eggs, larvae, & adult.

Examples are frogs, toads & salamanders.

Senses

Sight - Eyes help humans and most animals to see

Hearing - Ears help humans and most animals to hear

Smell - Noses help humans and most animals to smell

Taste - Tongues help humans and most animals to taste

Touch - Skin helps humans and most animals to feel

Brains helps humans and animals to think.

Herbivores (eat plants)

Omnivores (eat plants and animals)

Carnivores (eat animals)

Elephant

Deer

Rabbits

Cows

Brown Bears

Badger

Raccoon

Lizard

Lions

Crocodile

Hyenas

Sharks
