

Hillborough Infant and Nursery School

Newsletter – 26th May 2023

Value of the month – our value of the month is **aspiration**.

Dear parents and guardians,

We have had some wonderful new pupils join our school since our last newsletter and we have posted updates via Twitter and Class Dojo. Our four new pupils are ducklings! Every year group has been able to see them and spend time with them. The children have really learnt and understood the knowledge and skills of looking after animals and caring for them. Nursery especially enjoyed the experience.

Visitors – as part of our school family and community, you will be aware that we recently have had 'Ofsted' into school to immerse themselves into our curriculum, pupils' engagement with learning, wider school life and to see what we are doing really well at. When we have some more information we will be sharing that with you.

Celebration Assembly – Our '**Stars of the Week**' over the last week were: '**Star Helper**' – Casey, Alexander and Curshaan in Reception; Kevin, Christable and Nael in Year 1 and in Year 2, Amaya, Rayaana M, and Addison. If your child has achieved something outside of school, they can bring in the certificate, badge, trophy or medal to show everyone one during this assembly.

Health – please find below some recent flyers we have received regarding health:

Local Events – Luton Carnival takes place on Monday the 29th May and you can find all the information via the following link: <https://www.carnivalarts.org.uk/luton-carnival-2023>
